Sunday, November 13, 2022 4-5:30pm

If you are hosting a table, please arrive between 2:30pm-3:30pm to set up.

Christ The King Lutheran Chapel

1401 S. Washington Rd. Mount Pleasant, MI 48858

Hosting a Table:

Please provide finger food (food you can eat with your hands) or snacks for 50-100 people.

Decorate your table and trifold display with pictures and items from your country. One trifold display will be provided for each country to decorate.

If there are other people from your home country that also want to host a table, I will privately share your contact email, phone number, or Facebook page with them. If you do not want your information shared, please contact Anne Bakker as soon as possible.

Other Ideas:

Wear traditional clothing from your country.

Bring traditional clothing from your country for children and adults to touch or try on.

Bring traditional music from your country to play. Please contact Anne Bakker early so we can have an outlet for you nearby.

If you want to serve tea, coffee or other drinks, please contact Anne Bakker early so we can have an outlet for you nearby and we can also provide cups.

Consider donating a small gift from your country for our event raffle. Contact Anne Bakker as soon as possible.

Provide a recipe for food from your country. Send it before the event to Anne Bakker so copies can be made.

Have guests try to write a word or sentence in your language.

Bring traditional candy to give away to guests.

Parking will be limited. You can try parking at the chapel, or in the lot west of the chapel, on the other side of Washington Rd. The entrance is on the north side on Preston Rd. If you need transportation, contact Anne Bakker before the event.

If you need financial assistance with food or groceries, contact Anne Bakker as soon as possible.

There will be photos taken at this event and I plan to share them in a group email with every international who participated. I would also like to post photos to our website: www.christthekingatcmu.org and Facebook private group pages (Internationals at CMU and International Women's Club of Mid-Michigan). If you do not want your picture taken or do not want your photo posted on the website or Facebook, please contact Anne Bakker before the event.

Please invite your friends to join us! If they would like to host a table, have them contact Anne Bakker before October 24th.

Please contact Anne Bakker with any questions.
